Camelot = Community

Camelot started at Ivanhoe Elementary as an afterschool program in a tiny teachers lounge

Camelot moved
to its current
location in
September 2007

1st Trick-Or-Trunk
After renovating the site of the historical Recycler classified newspaper

Thanks Giving 2007
Camelot was closed
down by DSS due to
parent outrage

60 kids where left on the street with no child care. Teachers and parents "jump ship"

Renae and Livinio started co-ops in parents homes with 5 teachers who volunteered their time
Renae is 7 months pregnant with 3rd child, Deklan

Renae and Livinio
agree to take on a debt of over $250,000 to save Camelot
“What do we have to lose, the BANK owns our house!”

On February 14th, 2008 DSS reinstates Camelot license to reopen
36 hours old Deklan attends DSS meeting with his placenta attached

Principle: What does it say to the 20 parents and 5 teachers who stayed and endured?
Parents that "jumped ship" wanted back as soon as Camelot reopens.. "Sorry we're full"
LONG LIVE CAMELOT!

3 of the 5 Camelot Founding teachers remain today

Renae scrubbed toilets with Deklan attached!
(1st ever fundraiser)
